Available in SOY finish only

48" CUBE + BOOKCASE
BL4949

48W x 48H x 11D
Available in SOY finish only

bamboo

The items on this page use veneers made from bamboo. An endlessly renewable resource, bamboo is actually a grass, not a tree. It grows quickly and does not need to be replanted due to its extensive root system. This root system also helps to stabilize the surrounding environment. Easily harvested and naturally renewing, bamboo is used in a variety of wood products.

casual traditional

Traditional features are great complements to any room.

37" CUBE + BOOKCASE
CT4038

39W x 37H x 14D
Available in CHY and BLK finishes
